PROTECTION THAT PROTECTS

The
Royal Arcanum

Offers to protect your dependents from want when you have ceased to live for them.

WHILE the old-line life insurance companies are warring against the benefit orders, it is a pleasure to notice that there is one of these that these attacks have no appreciable effect upon, and that is the ROYAL ARCANUM. The Order steadily grows in strength and great works; and, like a giant, brushes aside the pigmy thrusts that are made at it. The reason of the success of this order is its correct and prompt method of doing business.
